A Message from the President of Zion Ministerial Institute, Singapore

*Rev. Yang Tuck Yoong
President of Zion Ministerial Institute, Singapore*

We are living in exciting times! I believe we are very close to the time of a great move of God and the bounteous harvest of souls as prophesied in the Scriptures. If there is any time in history that the church needs to be equipped and prepared, now is the time. Everyone in the Body of Christ have to be trained and equipped for harvest time. Bearing this to mind, I am presenting you with an excellent opportunity to be trained in the word of God. 2 Tim 2:15 tells us to "Be diligent to present yourself approved to God, a worker who does not need to be ashamed, rightly dividing the word of truth."

Our desire is for God's people to understand the truth of God's Word and be transformed into the image of Jesus Christ. It is time for the sons of the kingdom to be revealed. Rom 8:19 says "For the earnest expectation of the creation eagerly waits for the revealing of the sons of God."

We, at Zion Ministerial Institute, Singapore feel the urgency to prepare Christian leaders for the coming revival and we are excited to see the Lord drawing His people to study the word of God. It is with this urgency that we, together with our brethren at Zion Christian University commend to you the study of the Scriptures.

May God bless you as you seek to study His word!

*Rev. Yang Tuck Yoong
President
Zion Ministerial Institute, Singapore*

A Message from the President of Zion Christian University

*Dr. Brian J. Bailey
President of Zion Christian University*

According to 13th century tradition, the prophet Samuel presided over the world's first university, which consisted of "the sons of the prophets." It was organized in the colleges at Bethel, Kirjath-sepher and Kirjath-sannah (cf. 2 Kgs. 2:3-5). The puritan fathers of Harvard University accepted this with uncritical alacrity. In fact, Nathaniel Rogers made mention of this tradition in his valedictory oration at the Harvard Commencement in 1652.

In more modern times, the University of Paris (called the First School of the Church) was the pattern from which all the great universities of the world, such as Oxford, Cambridge, and Harvard, modeled themselves. The University of Paris was established by the Church, and all masters and scholars were either priests or potential priests. Medieval universities were distinctly purposeful in that they sought to train students for the ministry, and with the Reformation, this goal was seen as the proper function of a university. In the conception of the University of Paris, no land or buildings pertained to the University. Teaching was carried out in various churches (St. Julius le Paurve in Paris; St. Mary the Virgin in Oxford; Great St. Mary's in Cambridge).

In medieval Europe, a college was a corporation established within a university to provide board and lodging for small groups of students. By the 1600s, however, these colleges had absorbed the responsibility for most of the teaching, and the universities granted degrees to those who had satisfactorily met the requirements of the university. One of the great battles that ensued over the ages was between those who espoused liberal arts and philosophy and the pious, Christians, who were not slow to point out that Aristotle, the father of philosophy, was a pagan. These devout Christians saw no reason to include his teachings in their curriculums.

The goals of Zion Christian University are as follows: to incorporate a saving knowledge of the Lord Jesus Christ, to teach and interpret the Holy Scriptures under the mantle of the Teacher (the Blessed Holy Spirit) to glorify God the Father, and to know and teach His ways at all times.

God has raised up Zion Christian University to propagate the vision of Zion. By the grace of God, we seek to impart this vision to all of our students. Therefore, we, the Board of Zion Christian University, submit the following curriculum to teach the ways of Zion, which are the ways of a Holy God as Scripture so clearly sets forth. Our purpose is to give a very sound education in the areas of character, ability (with respect to the Holy Scriptures), and productivity—seeking to encourage the students to live a very productive and purposeful life by fulfilling God’s will for their lives.

One of the preponderant complaints dating way back to the early thirteenth century was that students wanted to obtain a degree without doing any work. May we say that Zion Christian University does not endorse such lackadaisical standards. The old maxim—“Early to bed, early to rise makes a student healthy, wealthy, and wise”—still holds true. Hard and diligent study is enjoined upon all of our students so that they might be thoroughly equipped for the service of the Master. Our prayer is that you will give Zion Christian University the opportunity to help you further your education in the knowledge of our Lord Jesus Christ and His Word. God bless you!

DEGREE GRANTING BODY

Zion Christian University is the governing body of Zion Ministerial Institute, Singapore. Students who have successfully completed their program with Zion Ministerial Institute, Singapore will receive their Certificate and Diploma of Theology from Zion Christian University, Florida, USA.

MISSION

The mission of Zion Ministerial Institute, Singapore is to glorify the Lord Jesus Christ by providing programs of Biblical education that are affordable, accessible to all, and most of all, Christ-centered. Our desire is to educate and prepare Christian leaders who will minister effectively to the Church and the world out of their ever-deepening relationship with the Lord Jesus Christ.

PURPOSE STATEMENTS

OUR VISION

It is the desire of Zion Ministerial Institute, Singapore to impart a spiritual vision to all of our students through our courses. Firstly, we need to realize that the Lord desires to plant an onward vision within all of His people. Habakkuk 2:2 says, "*Write the vision, and make it plain upon tablets, that he may run that readeth it.*" We all need a clear, God-imparted vision in order to hit God's mark for our lives. Therefore, one's spiritual vision is very important.

We are living in the last days and whenever "the last days" are mentioned in Scripture Mount Zion is often mentioned as well. Virtually all of the promises of God in Scripture will come upon the Church that is dwelling in spiritual Mount Zion in the last days because Mount Zion is the ultimate goal of the Church of Jesus Christ, as the Apostle Paul states in Hebrews 12:22: "*But you have come unto Mount Zion...*" Geographically, Mount Zion is located in the southeast part

of the city of Jerusalem. In ancient times it was called the city of David. Yet, it is not the physical mountain we speak of, but what it represents for each believer in the spirit.

To gain an understanding of the spiritual journey that we, as believers, are on, we need to study the journey of the children of Israel from Egypt, across the Red Sea, to Mount Sinai, through the Wilderness, across the Jordan River, into the Promised Land, and eventually to Mount Zion. This historical journey undertaken thousands of years ago is a type of our spiritual journey as believers from earth to heaven, and from newborn babes in Christ to mature fathers and mothers in the faith.

Many believers and even churches are content in their present spiritual state and are not progressing in their spiritual journey. Even as the children of Israel did not stop, but continued on their journey, so are we called to move on with God until we reach Mount Zion. We must go on to obtain the fullness of what God has in store for us. We believe the Lord desires to birth this vision in the heart of every believer. Ask yourself this question: "Where am I on my spiritual journey, and what is my vision?" Are you pressing on toward the mark of the high calling in Christ Jesus, or have you stopped along the way? Are you content where you are?

Zion Ministerial Institute, Singapore is dedicated to the pursuit of this high and holy calling. Ask the Lord to reveal God's very best for your life. Our prayer is that no matter where you are on your Christian journey, the Lord will place a new progressive vision in your heart and that you will go all the way with Jesus. Dear student, if you will give the teachers and staff at Zion Ministerial Institute, Singapore and Zion Christian University the privilege of furthering your education, we will seek to impart this spiritual vision to your life.

PURPOSE STATEMENT

Our purpose is to encourage students to pursue spiritual maturity by teaching the truth of God's word, promoting the adoption of a heavenly vision, seeking to cultivate godly character, and endeavoring to prepare students to be leaders God can use for His glory. The theme verse of Zion Ministerial Institute, Singapore is John 8:32, where Jesus declared, "*Ye shall know the truth and the truth shall make you free.*"

STATEMENT OF FAITH

Zion Ministerial Institute, Singapore's Statement of Faith is a declaration of our basic tenets of faith and forms the basis for our doctrine and curriculum.

1. We believe there is one God, eternally existent in three persons: Father, Son, and Holy Spirit, who is the Maker and Preserver of all things visible and invisible.

2. We believe in the deity of the Lord Jesus Christ: that Jesus existed eternally with the Father, became a man by the miracle of the incarnation, in no degree ceasing to be God. He is Co-Creator of the world and man, the only Savior, and coming Judge.
3. We believe the whole canon of Scripture (both Old and New Testaments), as originally given, to be the inspired and authoritative Word of God, of supreme and final authority in all that it teaches and declares.
4. We believe that all men are lost apart from the saving grace of our Lord Jesus Christ; that sin is cleansed only through personal repentance and faith in the precious blood of the Lord Jesus Christ; and that water baptism by immersion should follow receiving Christ as Lord and Savior.
5. We believe that the redemptive work of Christ on the cross provides healing for the body as well as for the mind, soul, and spirit of man. Christ has an answer for every problem of man, physical or spiritual.
6. We believe that miracles and the gifts of the Spirit are available to the Church today for the edifying and perfecting of its members.
7. We believe that God will visit His Church in the last days and bring multitudes into the Kingdom, preparing us for Christ's Second Coming.
8. We believe that the baptism of the Holy Spirit, as evidenced by speaking in other tongues, is promised to all who desire it, ask for it, and obey God.
9. We believe that everyone will be resurrected (saved and unsaved) and will give an account to the great Judge, whose judgment is final and eternal.
10. We believe in the permanence of marriage and its sanctity, thus, that divorce and remarriage to another person is contrary to God's will.
11. We believe that man should live according to the moral standards set forth in Scripture. This includes: living a holy life; being full of love, joy, peace, longsuffering, gentleness, goodness, faith, meekness, and temperance. Therefore, we are opposed to: adultery, fornication, uncleanness (including sodomy, lesbianism, bisexuality, bestiality, incest, pornography, and other forms of moral impurity), lasciviousness, idolatry, witchcraft, hatred, variance, emulations, wrath, strife, seditions, heresies, envyings, murders (including abortion and euthanasia), drunkenness, and revellings.

12. We believe that God has ordained and created all authority consisting of three basic institutions: 1) the home; 2) the Church; 3) the state. Every person is subject to these authorities, but all (including the authorities themselves) are answerable to God and are governed by His Word.

13. We believe that every Christian, as a steward of the portion of God's wealth entrusted to him, is obligated to support his local church financially. We believe that God has established the tithe as a basis for giving, but that every Christian should also give other offerings sacrificially and cheerfully for the support of the Church, the relief of those in need, and the spread of the Gospel. We believe that a person has no right to direct the use of the tithe or offering after the gift has been given.

PHILOSOPHY STATEMENTS

PHILOSOPHY OF EDUCATION

Zion Ministerial Institute, Singapore is dedicated to teaching the truth of God's Word which renews the mind and transforms the heart. God's word clearly states that the fear of the Lord is the beginning of wisdom and it is from this biblical basis that Zion Ministerial Institute, Singapore teaches all subjects. Education is not just teaching that influences the mind but it also influences the life of each student. It has been said, "Doctrine will determine your destiny." As such, Zion Ministerial Institute, Singapore seeks to provide an excellent education that honors the Lord and leads students in the pathway of God and to a destiny that glorifies His holy name. Our fervent prayer is that God will keep this bible school true and faithful to His ways and His leading as well as use this bible school to prepare many to live a life that is devoted to His call.

PHILOSOPHY OF CURRICULUM

One of the most important aspects of a college or university is its curriculum. Even more important than *how* we teach is *what* we teach. In Matthew 5:19, the Lord Jesus Christ expressed the importance of what we do and what we teach others to do. Teachers, ministers, and educators are held accountable for what they teach others. Therefore, by God's grace, we must always seek to teach and preach the pure, unadulterated and undiluted Word of God.

The word "curriculum" in the Latin refers to a course that has a clearly defined finish line and goal. It literally means "to run a race." Habakkuk 2:2 says, "... *Write the vision, and make it plain upon tables, that he may run that readeth it.*" Through our curriculum we seek to place a vision and goal before our students of being transformed into the image of Christ and being filled with the knowledge of His Word and the power and anointing of His Holy Spirit. It is not enough to know the Word of God; we must put it into practice and reflect the beauty and nature of Christ in everything that we do. This is the goal of our curriculum.

COURSE DESCRIPTIONS

DEPARTMENT OF BIBLICAL STUDIES

GENERAL BIBLE STUDIES (BBL)

BBL102 Hermeneutics

Hermeneutics is the science of interpretation and is designed to help bridge the communication gap between God's message (The Holy Scriptures) and us the receivers of His message. In this study, the use of technical words will be avoided, and the methods of the Master Teacher of the Universe, whose style was supernaturally uncomplicated, will be adopted. This study will supply valuable keys to open up the Scriptures by employing seven major laws of interpretation along with numerous other helps.

BBL401 Women of the Bible

A study developing the lives of many different women in the Bible. Through these biblical accounts, the role and significance of women is considered in the plan and purposes of God, as well as their influence on their families, friends, and even nations.

NEW TESTAMENT STUDIES (NTS)

NTS101 New Testament Survey

This course provides an overview of the New Testament books, including the major sections: The Gospels, the Acts of the Apostles, the Pauline Epistles, the General Epistles, and the Book of Revelation as well as the lives of the gospel writers and the apostles. Also incorporated into this course is the study of the Intertestamental period of biblical history. This course seeks to give well-grounded bases in the word of God to strengthen students' knowledge of the scriptures and also God's plan and purpose for their own lives.

NTS102 Romans

A study of the Book of Romans, called "The Masterpiece of the New Testament." The main themes developed in this course are: 1) The wrath of God; 2) The righteousness of God; 3) The life of God; 4) The election of God; 5) The service of God; 6) The kingdom of God; 7) The patience, hope, and power of God. Each section is outlined in the beginning, and in each part there is a simple, but in-depth exposition of the epistle.

NTS103 Acts

A study of the book of Acts, focusing on the beginning of the Church, and the Apostles, who were the foundation stones upon which the Church was built. The Book of Acts is a divine account of the new move of God. This was a time of transition from the Old Covenant to the New Covenant, salvation by faith in Jesus Christ to all mankind. Acts pinpoints the center of the fire of God in the move of the Holy Spirit, and studies the two main leaders of this revival, the Apostle Paul and the Apostle Peter.

NTS201 Synoptic Gospels

A study in the life of Christ through a comparison of the three synoptic gospels, Matthew, Mark, and Luke. Although diverse, all three gospels were inspired by the Spirit of God and serve to illuminate different points, as each was written by a different personality to a different audience. The purpose of this course is to study the diverse perspectives of the gospel writers; and by blending these viewpoints together, gain a more complete picture of the life and ministry of the Lord Jesus Christ.

NTS202 Hebrews

A thorough study of the epistle to the Hebrews. In this epistle, Paul shows the greatness of Christ, who is superior to the prophets, the angels, Moses, and Aaron. Paul's five warnings to the Hebrew church are considered. The priesthood of Melchizedek (after which Christ's priesthood is fashioned) is compared with the priesthood of Aaron. The New Covenant is examined in depth, showing us the way into the Holy of Holies. The theme of this study is

“within the veil”—a reference to the veil that separated the Holy of Holies and the Holy Place in the Tabernacle of Moses. The heroes of faith are also considered.

NTS301 Pauline Epistles I

A study of the books of Philippians, Colossians, and Philemon. The study of Philippians focuses on the following five main themes: 1) The need for unity; 2) The blessings of suffering; 3) The mind of Christ; 4) The first resurrection; 5) The peace of God. The study of Paul’s epistles to the Colossians emphasizes the way to holiness. The major theme in Philemon is the restoration of the backslider, as illustrated through the life of Onesimus.

NTS302 Pauline Epistles II

A study of the books of Galatians and Ephesians. The study of Galatians emphasizes relationship rather than ritualism, which is the key to Christian Perfection. It is by living in the Spirit, sowing to the Spirit, and having the fruit of the Spirit developed in our lives, not by lifeless rituals that we may come to maturity. The study of Ephesians explores the historical background, the founding of the Ephesian church, and the important doctrinal truths contained therein. The main emphasis of this study is love and spiritual warfare.

NTS303 General Epistles I

A study of the Epistles of Peter and the Epistles of John. The study of I-II Peter examines the epistles Peter as well as his life, comparing the young apostle in all the character flaws evident in his early years, with the mature, polished, and solid foundation stone that Peter obviously became in his later years. The study of the epistles of John will focus on the two themes, which flow throughout the three epistles: (1) love as the essence of God’s nature; and (2) fellowship with the Father and His Son, the Lord Jesus Christ.

NTS304 General Epistles II

A study of the epistles of James and Jude. The study of James covers the following five themes: (1) The necessity of wisdom; (2) the control of the tongue; (3) faith without works is dead; (4) impartiality; and (5) prayer. The study of the Epistle of Jude concentrates on the main theme of this epistle, “being kept or preserved.”

NTS401 Gospel of John

A study of the Gospel of John. The purpose of this course is to give the student a thorough knowledge of the Gospel of John, which is one of the most important books in the Bible. It has been called “the spiritual Gospel,” and as such it contains many spiritual truths that are manifested through outward signs and symbols. This course will focus on the three sets of sevens in John’s Gospel: the Seven I Am’s of Christ; the Seven Pre-Resurrection Signs of Christ; and the Seven Major Public Discourses of Christ.

NTS402 I-II Thessalonians

A study of Paul’s epistles to Thessalonians. One of the major themes throughout this study is the Second Coming of Christ. The Man of Sin and the conditions that exist at the time of the Antichrist’s rise to power are also examined in these letters from Paul to the Thessalonians. However, as it is appointed to all men once to die and then the judgment, the main thrust of these epistles is holiness, for each believer must be ready to meet the Lord when He comes to the end of his life.

NTS403 I-II Corinthians

A study of Paul’s epistles to the Corinthians. The spiritual importance of the letters and the truths contained in them are examined in great detail, with the emphasis on their relevance to us as believers. SPIRITUAL DEVELOPMENT

ONLINE CHAPEL SERVICES

On a residential Christian campus, students are normally required to attend chapel for their spiritual development. Zion Ministerial Institute, Singapore is not able to offer on-campus chapel services to our students. However, we are able to provide the opportunity for our students to listen to teachings at Zion Fellowship International on-line at <http://www.zionfellowship.org/>. We strongly encourage our students to take advantage of this on-line service in addition to regular church attendance and daily devotions.

SPIRITUAL DEVELOPMENT SEMINARS

Zion Christian University also offers spiritual development seminars on a regular basis in Singapore and in many nations around the world. The Asia-Pacific Zion Convention is held in Singapore in March annually. Students are welcome to attend. Please contact Zion Ministerial Institute, Singapore if you are interested in attending a spiritual development seminar. These seminars are great opportunities to meet other students and members of the Zion Christian University faculty and staff.
